MEMORANDUM FOR: All RRB Personnel

FROM:

Chief, Records Review Branch

SUBJECT:

☐

Reports With Title Prefaced by Political,
Economic, or Military Information

REFERENCE:

RRP 78-22, Paragraph 5

Several examples have been brought to my attention in which it is impossible to record on Form 4023A a complete and meaningful title if the preface "Political Information", "Economic Information", or "Military Information" is recorded as the first part of the document title. In such cases the preface will be dropped in order to record a meaningful title. If there is sufficient space to record the preface, by all means do so.
